

A/A Finesse

Director & DP Duo, Adrián Egea and Alejandro H. Madrid, have been working together for a couple of years and now work as one, with their sights set forward to a new method and approach to table top filming. With a 10,000 sq.ft. state of the art facility in Barcelona, Spain, including motion control and Phantom, along with their expert crew and artisans, they are able to create beautiful, sophisticated, and dynamic tabletop images

Now exclusively represented in the US by Carbo Films
